LARRY CHERUBINO

**2008 Ad Lib  
Tree Hugger Chardonnay**

*“Check out this refreshing, unoaked Chardonnay to see you through the end of this long, hot summer. It’s a great patio wine all on its own, but also matches nicely with seasonal fare like cold seafood salads, grilled prawns and picnic-style deviled chicken.*

*Fresh and easy to like for its crisp, citrus-tinged layers of green pear and white peach, with a long, clean finish. Ready to drink now.”*
