

The Yard Pannoo Vineyard Riesling

Vintage 2009
RRP \$25

TS: Fine and restrained, this is a structured Porongurups style with lime blossom, fresh apple and cinnamon notes. A long, clean finish is built on textured minerality and clean-cut apple flavours.

Yalumba Hand Picked Tempranillo Grenache Viognier

Vintage 2007
RRP \$30

TS: Don't be put off by the blend, because this is an impeccably assembled wine that melds the savoury complexity of Tempranillo with the flesh and spice of Grenache and the lift of Viognier. The result is a textured, savoury style with dry herbs lifted by floral vivacity.

Clockwork Cabernet Merlot

Vintage 2007
RRP \$15

NS: A new venture for the Yukich family (of Oakover fame) and this is a great place to start. The nose has classic leafy ripe berries and gentle oak spice. The palate has the right mix of business and pleasure in the tannin department and the price is right.

Collector Marked Tree Red

Vintage 2008
RRP \$26

NS: A terrific wine for the money that is packed with beguiling fragrance and lilting florals—almost Beaujolais-like to smell. The palate is a smooth, fine and elegant, really playful and very easy drinking. Wish there were more like this. Drink now.

d'Arenberg The Money Spider Roussanne

Vintage 2008
RRP \$19

NS: A clean take on a particularly elusive white varietal—there's some beeswax and honeysuckle here but it's all about texture. Chester Osborn has nailed the richness and phenolics without losing shape or line. Nice one!

Longview Whippet Adelaide Hills Sauvignon Blanc

Vintage 2009
RRP \$19

TS: An extreme makeover and swanky new labelling, Longview has been reinvented by the powerhouse that is the Saturno brothers. Thankfully, the Whippet name held up, as did the fresh, floral bouquet and lemon, lime, pink grapefruit and guava flavoured palate of this great value, dry style.
