

2010 Larry Cherubino Mix Master Shiraz
Grenache Mataro Viognier ★

Rating: 93 \$18 Drink by: 2018

Alc: 13.6%

The blend is 64/16/12/8%, the origin (within WA) of the grenache and mataro (mourvedre) anyone's guess. The colour is bright, light crimson-purple, the bouquet with a truly extraordinary amalgam of garam masala and virtually every other spice you can think of, inevitably dictating the flavours of the long medium-bodied palate, and its savoury/spicy conclusion. A wild but riveting ride. Screwcap.
