2007 RIVERSDALE VINEYARD CABERNET SAUVIGNON

The Vintage: Conditions leading up to the 2007 vintage were dry with below average rainfalls in the spring. Yields were very low with very small berries and bunches.

The Wine: Aromas of plum and blackberry on the nose, displaying ripe fruit and some savoury notes. There is intense fruit, richness and elegance. The wine is powerful and soft, with an elegant mouthfeel that belies the fruit focus and the depth of tannins.
